Welcome

"An experience your children will never forget"

Nundah State School Amateur Swimming Club ("the Nundah Sharks") committee welcomes you to the pool for the 2017-2018 season. If you are new to the club or coming back for another year, we hope you enjoy a fun packed and exciting Nundah Sharks swimming experience.

The Nundah State School pool was built in 1956 and the Nundah Sharks has been operating proudly for over 50 years. We trust that our swimmers and their supporters enjoy the friendly and social atmosphere of Friday club nights, club championships and inter-club swimming carnival meets. The success of these is reliant upon volunteers supporting the committee who works hard behind the scenes.

We wish all our swimmers and their family a swimmingly good time this season and look forward to seeing you at the pool.

Chris Flynn (Chairperson) for and on behalf of the committee.

Novice Swimmers

PLEASE NOTE: The first novice event will be freestyle and will be held prior to the freestyle heats. The second novice event will be the choice of the swimmer and will be held prior to the second stroke of the night.

Novice Swimmers are those swimmers that cannot competently swim 25m or cannot swim a particular stroke correctly.

Novice swimmers will not be disqualified. Novice events will not be timed and points will not be allocated. However, a record of novice event swim is maintained to ensure novice swimmers do not miss out on a novice trophy at the trophy presentation night.

Novice swimmers may be aided by a senior swimmer who is deemed strong enough to support a younger swimmer in the deep end of the pool by the referee, coaches or committee.

Novice events are not competitive races; rather they are in place to encourage correct stroke technique and participation, leading up to a swimmer being eligible to partake in the non-novice swimmer events.

Nominations

All nominations for novice and non-novice swimmers must be received by 6pm on the Thursday evening prior to Friday Club Night.

Nominate at: www.nundahsharks.com.au

Nominations are due by 6pm on the Thursday prior to racing on Friday nights. This allows sufficient time for the race secretary to compile the heats for Friday night together with distribution and printing of the programme.

The preferred method of nominating a swimmer is via the Nundah Sharks website.

If a swimmer is not nominated or does not appear on the programme, the marshalling volunteers will do their best to place the swimmer into a heat.

Rules

Please refer to the rulebook on the Nundah Sharks website to access the rules that govern the operation of the club together with the rules for participating as a swimmer of the club.
