

Welcome

Over the next 6 weeks, Nundah Swimming is very excited to announce it will be trialing an eNewsletter. To be sent out every Wednesday this email will contain all the latest news and information on the events taking place at Nundah Swimming. Over this 6 week period we will be trialing different things and hopefully developing the look of the email. This brand new addition is all part of the continued development taking place at Nundah Swimming, ultimately providing quality aquatic education in a stimulating and thriving swimming complex. We welcome your views and ideas to develop this further.

CAMP

Forms are now starting to flood in for this years Nundah Swimming Camp. Taking place on March 3 and 4 this event has been months in the planning and is going to be huge.

From the Dive-in-Movie, to the now annual Blue (Team Michael) v Red (Team Zarnia) team challenge, we promise fun will be had by all. In order to secure your position on this camp please complete the attached form and return by **NEXT WEDNESDAY FEB 29 7.30pm.**

Also due to the increase in numbers, we are a few tents short this year. If you are able to help us out here, and maybe loan us your tent for the evening please give us a call or email. Any assistance we can get would be greatly appreciated.

ADULT SWIMMING

The Nundah Swimming Adult program has undergone some major reform this season and we would love for you to come and sample what we have to offer. Our program is proudly one of the largest in Brisbane and includes not only squad, but Adult Learn to Swim, Circuit and now Aerobics. This is a fantastic opportunity for all parents and adults apart of the Nundah and indeed wider community to get fit and we would welcome you to come and sample what we have to offer. Times and further information is attached or otherwise please give us an email.
